
Now we are asking our
community to help.
Will you become a
Charter Member of
Friends of Music
at *St. Saviour's*?

Purpose

Friends of Music at St. Saviour's supports the performing arts through:

- Musical concerts and other performances;
- Preservation of a community space that welcomes all people;
- Maintenance of the Visser-Rowland organ

"Singing has always been a huge part of our lives, and we have sung many concerts at St. Saviour's over the past 27 years. We can't imagine a lovelier place to sing...walking in the door it always feels like coming home."

Jay Emlen, Cookie Horner

Soli Deo Gloria

J. S. Bach

At heart is our desire to use all that we are and all that we have to address human needs, to celebrate the unity of all creation, and to be partners with our neighbors in building a just and caring community. We cannot undertake this alone. It takes all of us together. As music touches everyone on this island, residents and visitors, our joint effort can transform the life we share.

St. Saviour's Parish Friends of Music

A Strong Base of Support for a Community's Music

St. Saviour's Parish
Bar Harbor, Maine

A Tradition of Making Music

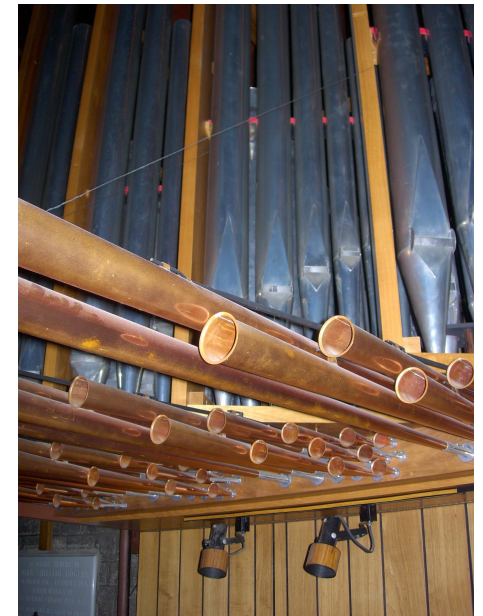

From our founding in 1876, people have come to St. Saviour's to make music. Individuals who lived and worked on this island have sung in the parish choirs. Each summer and on festive occasions, voices and musicians from away joined them. Over time, the church doors opened ever wider to welcome all manner of choruses, orchestras, and performers from around the world.

The greater Mount Desert Island community has long treasured St. Saviour's as a resource for supporting the performing arts. These activities are integral both to the parish's identity and to the core values of our congregation.

A Wonderful Challenge

Understanding the need to maintain places that nurture such creativity, members of the greater Bar Harbor community delighted the parish when they came forward with a plan to support music at St. Saviour's. In response, the parish is establishing *Friends of Music at St. Saviour's*. This community effort will expand musical programs and maintain what we already enjoy for many years to come. The initial donors challenge us all—they will match contributions to *Friends of Music at St. Saviour's*, dollar for dollar, through 2006.

Will you deepen your commitment to this life-giving relationship by becoming a charter member of *Friends of Music at St. Saviour's* by making a donation? Through *Friends of Music*, individuals, musical performers and local organizations can support the arts that enrich our common life.

Celebrating a 30th Anniversary

St. Saviour's organ was designed to support the worship of an Episcopal parish and the broad musical needs of a diverse community. Since its completion in August 1976, the **Visser-Rowland organ (Opus 6)** with its three manuals, thirty-one ranks, and twenty-five stops, has fulfilled the high hopes of its first supporters and inspired a new generation of listeners and performers.
